**Andrea Mikana-Pinkham**  
Director, Sacred Sites Journeys

**Our June/July Sacred Sites Journey to EGYPT was AWESOME!**

**I've just returned from leading our June/July Sacred Journey of Initiation to**

**EGYPT.** The folks in our group had **awesome experiences** in each of the ancient pyramids and sacred temples that we visited. Due to it being the low season, there were no crowds; most places we went to, **we had to ourselves**, which of course gave us **more than ample time for our powerful meditations and initiations.**

After our spiritual initiations with the various Neters (Gods/Goddesses), we enjoyed exploring the sacred sites with our **Egyptologist Guide Dr. Vivian Zaky**, who became our true Spiritual Sister and Priestess.

We were blessed with temperatures that were excellent, as the summer heat hadn't set in yet. In fact, when I spoke daily with my husband Mark, it was hotter in Sedona than in Egypt!

Our **private entrances** in Aswan at the **Temple of Isis** and in the **Great Pyramid** on the Giza Plateau were **transcendent, heart-opening initiations** that propelled all of us into higher levels of consciousness. We all agreed that the changes were profound and life-altering in very positive ways!

After our time at the Isis Temple we were taken by Tarek, my friend/brother and boat driver, to the nearby island of **Biga**, where we were able to **wade in the water near the ruins of the original temple**, an amazing treat!

**Most importantly, we were safe the entire time we were in Egypt!** The infrastructure for tourism is soundly back in place, with all personnel we work with doing their job to assure that tourists are safe and well cared for.

**Our Egyptian sisters and brothers warmly welcomed us wherever we went! We**

congratulated them on their valiant and peaceful efforts during the recent People's Revolution that resulted in their establishing a democratic process that is truly resulting in a Free Egypt being established. On our last day in Cairo we went to Tahrir Square and bought t-shirts emblazoned with various slogans such as "January 25th, the Day We Changed Egypt"!

**Here are sharings about their experiences from some of our clients on this recent Sacred Sites Journey:**

*"Great trip! Wonderful way to see Egypt and its ancient wonders for a first-time explorer. Adding to that, the spiritual practices and knowledge imported to us by Andrea and Vivian brought the Gods and Goddesses to life.*

*The energy in the temples must be experienced. It's beyond anything one could possibly imagine. Life-changing for sure.*

*Through this Sacred Sites Journeys tour I've developed a love and connection with Egypt and its people that reaches to the depths of my heart and soul. Truly a transforming and fulfilling journey."*

**Kathleen B. - USA**

*"Every now and then your life takes an amazing turn into unexpected enchantment. My trip to Egypt with Sacred Sites Journeys was one of them.*

*Thanks to Andrea, Vivian and all my new (or perhaps old) Sisters who shared this fantastic journey. I will cherish the memory always".*

**Michelle H. - Australia**

*"I felt totally safe everywhere we went.*

*Andrea is particular about the people who work for her and they are all good people.*

*The highlight of the trip for me was the spiritual experiences.*

*The many ceremonies Andrea led us through assisted me in feeling vibrationally lighter, as did the energy spots, the sacred places here in Egypt.*

*Thank you Andrea for a well-planned trip to bring about the most sacred experiences. I am truly grateful."*

**Donna H. - Canada**

*"This Sacred Sites Journey to Egypt was so well organized, in all ways.*

*I was taken care of individually in my spiritual and personal process during the tour.*

*Andrea finds the very strong power spots. The meditations at them were powerful. It was fantastic to feel my own connection to the Gods and Goddesses. And the whole group was together in a sweet and loving atmosphere."*

**Lone K. - Denmark**

*"It is so hard to put into words my experience of this journey, yet I sum it up with - It was worth the 20+ years wait.*

*From my first enquiry via email to Andrea I had all my questions, concerns, requests and guidance answered quickly.*

*This tour was such an amazing experience. A top professional company.*

*Vivian, our tour guide extraordinaire is a loving, giving, strong and supportive woman.*

*She took care of us over and above her 'duties'.*

*Andrea's assistants in Egypt were all warm and professional.*

*As for the 'journey', I had high expectations. And I leave the tour with all and more than I*

*could ever even expected.*  
*Andrea, Vivian and the group connected as Sisters so quickly, which is acknowledgment of how spiritually sacred sites operate.*  
*I have had so many amazing spiritual experiences. I have definitely flown!*  
*Andrea, you are a loving and strong Light, like Sekhmet.*  
*My dear Sisters, you sit in my heart. Thanks is too small a word for what I feel towards you all.*  
*I would and will be recommending Sacred Sites Journeys. AWESOME!"*  
Pame P. - Australia

**A Word From Andrea Mikana-Pinkham**  
Director, Sacred Sites Journeys  
& Featured Speaker/Ceremonialist/Tour Director for the June pilgrimage.

**About My Experience Leading Journeys to Egypt...and What I Offer You...**

*As a young child I was fascinated by the civilization of ancient Egypt, and held a lifelong desire to travel there to see the pyramids and Sphinx.*

*After starting a sacred travel company in 1993, I operated and led spiritual pilgrimages to Peru for many years.*

*In 2000 I also began operating and leading sacred journeys to Egypt.*

**Since then I've taken groups yearly (or sometimes twice yearly!)  
to experience the magic and mystery of this ancient land  
at its pyramids, temples and other sacred sites,  
as well as to learn about the many and varied secrets and theories of its history.**

**The Fall 2011 journey will be my 17th group to lead to Egypt.**

**During the last 10 years I've been traveling there with my groups,  
I've made connections with some of the best tour guides  
Egyptologists who are also open to alternative theories about their country's history, as  
well as our spiritual approach to the journey.  
I also have ongoing relationships with hotels, cruise ships and local shop owners.**

**And, most importantly...the guards at the temples make it possible  
for our groups to have time and space for our meditations and initiations.  
They are happy to have us come and honorably hold the space for us.**

**I can assure you that all of these people will all do their utmost to work with me to  
support you to **experience Egypt in ways that most people never do!****

**During our meditations in the ancient pyramids and sacred temples at the chakra sites  
along the Nile, I'll use my unique **Lapis Crystal Bowl**  
to facilitate sound activations that will support your initiations  
into higher levels of consciousness!**

**Please be assured that it's safe to travel in Egypt again.**

**The Egyptian people are welcoming their brothers and sisters back with open arms.  
Besides the group I led there in June/July, I know of several other sacred travel groups  
who have been there since February, and had the time of their lives!  
I know that you will too if you join me there in October/November.**
