Our Mission and Service to Humanity

The Temple of the Golden Serpent (TOGS) is a modern-day Egyptian Mystery School.

Nonetheless, that does not mean it is new in the sense that it has no lineage or history; on the contrary, it has.

Gnosis is timeless and has flowed through all civilizations since the dawn of time.

It manifests its wisdom in different belief systems and esoteric practices perpetuating The Light, the LVX, since time immemorial from our Motherlands of ancient Atlantis and Lemuria.

Our Temple is a conduit for that universal and Divine Wisdom and Light that is entrusted to Andrea Mikana-Pinkham and Sean McCabe.

This ageless knowledge from the Egyptian Mysteries will assist you to progress on your spiritual path, to reach greater understanding and experience of your True Self - Know Thyself!

Through the unconditional Love of our Divine Mother, Isis/Aset,

we endeavor to eliminate the Ego and transmute that energy
into the alchemical gold in alignment with our Higher Self
as we manifest our Solar Body to conjure the Kundalini - the Golden Serpent.

Associate Membership

**The Temple of the Golden Serpent is an exclusive group of Initiates who have returned to the hive,
have remembered their esoteric calling and have reunited with their home Temple.**

Those in our Sacred Family follow in the footsteps of our past lives,
re-enacting the Kemetic tradition and reactivating the hieroglyphic symbolism that is stored in our spiritual DNA.

*** Those who have evolved at this moment in time where they are in a position
to travel with us to receive the sacred initiations in Egypt have been granted that privilege
from the Neters and their spiritual guides and facilitators.

At this point in the evolution of Humanity they are deemed ready
to receive this auspicious blessing and spiritual downloads in situ,
to have their Sovereign Self upgraded by Higher Beings.

Aspirants who feel drawn to the TOGS may aspire to begin their sacred journey on this Path.

In time, they too will receive the Initiation of the Seven Chakras of the Nile should the Neters
deem it right and proper and if the Aspirant or/and the Associate member is ready.

In the meantime, all members, Initiated and Associate may attend our online temple meetings
and receive all the benefits of being privileged to be part of a group of quality, compatible and friendly people.

They also have access during our online meetings to two of the most experienced spiritual mentors
in the field of gnostic and esoteric science.

That said, we don't claim to know everything, and we will endeavour to develop our Temple
with its Members as we have been called upon to do at this auspices time
in our planet's journey through the heavens.
