Sacred Journey of Initiation
June 3 - 9, 2012

A Message from Andrea Mikana-Pinkham
Director, Sacred Sites Journeys

Mark and I extend our warmest wishes for a **Peaceful and Transformative 2012** to each and everyone one of You, our Sacred Sites Journeys family! Way back in 1987 during the Harmonic Convergence in August of that year, when so many of us gathered with other like-minded folks to celebrate the beginning of the 25 years of purification that the Mayan teachings espoused, the auspicious date of December 21, 2012 seemed years away! For me...and I would guess for many of you as well...those years flew by. And now here we are...at the beginning of 2012 and on the threshold of an exciting positive Shift of Consciousness. I look forward to living in peace with the energies of change this year to create a New World with a personal and collective higher level of Consciousness that, according to the Mayans, will begin on December 21, 2012. I believe a better world that we're all creating awaits us!

We have an excellent lineup of sacred travel opportunities for you this year. COSTA RICA and TURKEY in April, EGYPT in May, ENGLAND in June, PERU in August, and EGYPT again in October and November. Some of these awesome pilgrimages are already listed in detail on our website; others will be added by the end of the month. So I invite you to visit www.SacredSitesJourneys.com often!

As well, I will also offer optional group **Sharing Circles**, which in the past we've found to be extremely supportive for integration and mutual support.

I'd be honored to support you to **manifest your dream of traveling to sacred sites in ENGLAND in June 2012**, and will assist you to create the experience of a lifetime during this spiritual journey.

Do you feel or hear the voices of the **priestesses of ancient Avalon** calling you?

A Few Words from our Former Pilgrims to ENGLAND:

Glastonbury/Avalon is a beautiful and magical place - a sacred site in and of itself, and near to so many other sacred sites in England. I would recommend this tour to anyone who is called to it. There is so much to explore and experience, from the ruins in Tintagel to the crop circles! The private entrances to the Chalice Well and Stonehenge were highlights of this tour for me. These are things that most people do not get to experience, and this is what makes Sacred Sites Journeys special. Koko Newport is a delightful and fascinating woman, and I thoroughly enjoyed and benefitted from time spent with her. It was also incredible to have Nicholas Mann as a speaker. His knowledge of the history and legends of Glastonbury/Avalon held us all in thrall during his lecture. I was privileged to have a reading with him. I hope to return to Glastonbury in the not too distant future, either as part of a tour or on my own, and I certainly will be interested in Sacred Sites Journeys to Ireland and Scotland, too! From there, who knows? The world has opened up to me!-
Jeanne D., IL

I truly enjoyed my trip. I found Jenny and the B&B with Claire and Brian warm, receptive and engaging. I would definitely recommend it to anyone visiting Glastonbury. The places we visited were enthralling and meaningful to me. My two favorites were the Chalice Well and the Stanton Drew stone circle. There was something personal about these to me. I very much enjoyed meeting Koko and found that we have a lot in common. In fact, I am hoping to stay in touch with people who I have met on my journey to Glastonbury.

Our group was small and although quite diverse, it worked well. - Sheri L., FL

The tour was fantastic! - Mark C., Australia

Traveling to Glastonbury is an experience you will never forget. This sacred land will transform you and your life. You will quickly understand why so many people have made pilgrimage to this sacred land over the ages. These sacred sites are powerful and breathtaking. From Stonehenge to the Chalice Well each place is uniquely inspirational and transformational. And of course you are truly blessed to have Andrea serve as your guide. Helping others travel on these spiritual journeys is truly her love and it is reflected in all of her actions. It is her goal to help you have the most meaningful experience possible. Sacred Site Journeys have helped me discover myself and created dreams I never thought possible. Thank you Andrea! - Michelle Z, MN

I absolutely loved the tour, had many powerful meditations, visions and I would most definitely do another of your tours. - Kathy S, CT

The meditation at Stanton Drew was very peaceful and profound, and I thought one of the more spiritual moments of the tour. I can't say enough good things about Clare & Brian and their establishment! Wonderful! - Anonymous by request

Koko was excellent. She was a very good manager of people and was also very knowledgeable and very willing to share what she knew with us. Clare and Brian were excellent and gracious innkeepers. The B&B was immaculate, and in a very convenient location so we could walk to the High Street easily. They also had a friendly cat and a lovely garden to sit in. I loved Cornwall! The Chalice Well had beautiful gardens, and was a nice meditation spot. Avebury was wonderful because I had never been there before. And Koko told us about some of the stones and their mystical meanings. I didn't mind the early morning visit to Stonehenge, in fact I thought the morning mist added to the experience. I was very grateful for the chance to get inside the ropes and actually see the stones up close. - Cheryl C, NH

The spiritual pilgrimage to Glastonbury was excellent! My most meaningful experiences were at Stonehenge, the Chalice Well, and inside the crop circle. Andrea did an excellent job as our Tour Director, and facilitator of the meditations. AND, the food at the welcome dinner was really good! - Vicki K, OH

Glastonbury is an amazing place that touches everyone. The B&B was PERFECT. The hosts were very friendly and yet accommodating and professional. Weren't we lucky with the weather? Koko Newport was also wonderful. She was relaxed, well informed, and made us feel like family at her business site with meals and hospitality. She was also excellent in letting nature take its course---friendly, while dropping little nuggets of wisdom when asked. - Beth G, WI

The sacred journey was a great introduction to Glastonbury and its many gifts. It had the right amount of scheduled time with ample free time. I found Andrea to be very conscientious of the individuals and the group, without trying to micromanage or force and experiences. She provided information left room for my own conclusions and perceptions to integrate in the way it was meant to. This was the perfect combination of introduction and detail to help one start the integration process into the Magick and mysteries of our foundations. The experience was a beautiful and fulfilling experience that opened my eyes to new things. Humorous, fun and intellectual - my mind was fed and I was left wanting more information, more experience and more time. I thoroughly enjoyed the Nicholas Mann's visit and discussion; his kind, compassionate and integrity of manner inspired me to think, to feel and most importantly - to remember. - Jennie K, ME

This Goddess-oriented journey was all I could have dreamed of and more. It was a healing pilgrimage for myself and my soul. The visit to the Chalice Well and the ritual with Koko were very meaningful and moving for me. Stonehenge and the Tor were exceptional! I loved Andrea's perceptions, and also her channeling

session. Made a lot of sense! I felt she was very plugged into all of us and our issues. She was a ray of sunshine! - Raven M, ME
