APRIL: PERU

Mystical Journey to Machu Picchu

April 24 - May 1, 2010

Extension to Lake Titicaca: May 1 - 4, 2010

**Led by Andrea Mikana-Pinkham,
Andean Shamanic Practitioner in the Inca Spiritual Tradition
& Dr. Pepe Altamirano, One of Peru's Foremost Spiritual Tour
Guides**

IMPORTANT!

**IMPORTANT! Machu Picchu will re-open on April 1st.
The Sanctuary was closed by the Peruvian National Institute of
Culture in late January 2010,
due to flooding that caused mudslides to wash out the train tracks
to Aguas Calientes,
the jumping off point for visits to this UNESCO World Heritage site.**

This group is open to the first 10 people who register.
We only have a few spaces left, so we encourage you
to reserve your space now in order to assure your participation!
Registration closes April 9, 2010, or sooner if the group fills before
that date.

Andrea has been leading spiritual pilgrimages to Peru since 1994.
She and Pepe have worked together for many years.
During the pilgrimage, they will offer traditional Andean rituals to connect
with the Pachamama
(Mother Earth), the Serpent, Puma and Condor, the totem animals of the
Three Worlds,
as well as the elements of earth, wind, fire and water,
and the sacred apus, the famous mountain spirits of the Andes.

Journey with other spirit-centered travelers to the majestic and awe-
inspiring
land of the ancient Incas on a mystical journey to Cusco, Sacred Valley of
the Incas and Machu Picchu!
Connect with the powerfully transformative energies at Sacsayhuaman,
Tambo Machay, Pisac, Ollantaytambo & Machu Picchu
And the interdimensional stargate of Aramu Muru's Doorway at Lake
Titicaca
Engage the magic and mystery of the rich legacy of traditional Andean
rituals
and the esoteric wisdom of the indigenous Elders.

SPECIAL OFFERINGS for our APRIL PILGRIMAGE!

At the beginning of our sacred journey, while we're in the **CUSCO AREA** Q'ero Elder Don Mariano and his apprentices will offer our group a **despacho, a ritual blessing** to the Mother Earth (Pachamama) and the Apus (sacred mountain spirits),

as well as a **blessing** for each of us for a safe and enlightening journey.

In the **SACRED VALLEY OF THE INCAS** they will also be with us for our private night entrance into the **Sanctuary of Ollantaytambo**, also known as the Sanctuary of the Wind for a **powerful Shamanic Healing Ceremony**. These Elders, healers and ritual specialists have received special training and undergone rigorous initiation. They are known as *pakkos*, or persons of knowledge, and are also called *alto misayoq* - a highly trained and qualified

Andean healer. Under their knowledgeable care and guidance, we'll focus on letting go of the "old" in our lives that no longer serves us. Then to fill the void and enliven our Light Bodies, we'll dream the dreams that we want to manifest.

One of the highlights of our time in Peru will be our journey to mystical **MACHU PICCHU**! After traveling through the valleys and canyons along the sacred Urubamba River, surrounded by the snow-topped *Apus*, we will arrive in the high jungle - at Aguas Calientes, the little pueblo at the base of the mountain where Machu Picchu is located. After a lively ride up sixteen

switchbacks to the top of the mountain, you will finally be in Machu Picchu! Your dreams of being here will come true.

As our Spiritual Guide Pepe leads us through the various areas of the site, you'll have plenty of time to connect with the powerful energies. At the end of our morning we'll find an out-of-the-way area, where Pepe will offer a **ritual to assist you to further open your Third Eye - Inca style!**

Our second morning at **Machu Picchu** we'll enter in the early morning, before sunrise, and gather in a little overhang of rocks that make a little cave, facing the sacred *Apus*. Here we'll set out a *mesa* and place our power objects on it. Then we'll wait patiently to pay our respects to **Taytay Inti (Father Sun)**. When the first rays peaked over the mountain tops, you'll feel incredible amounts of energy pour into your Being, and you'll be filled with love, gratitude and deep levels of peace!

Stay on to journey south to **LAKE TITICACA** you will be in **Lemurian / Andean feminine energies**. Our hotel is a a spiritual shores of the Lake. I've been staying there with my groups energy is very peaceful, yet also very strong. The apex of was built over the reception area is on a ley line that runs by Temple across the road from the hotel out into the Lake, and on to the **Monastery of the Seven Rays** that was founded by the ancient Lemurian Masters Aramu Muru and Arama Mara. In ancient times, they brought important spiritual teachings and the **Solar Disc**, an awesome power object, and settled the Andes. Peruvian history says they are the founders of the Inca Empire, Manco Capac and Mama Ocollo.

ous sacred site in the area - the **interdimensional portal doorway**. Ancient legend says that it was here that the sage through the portal and left the third dimension, never to His consort Arama Mara still lies over the Doorway, sacred site and inviting seekers to come and experience the will be your turn to experience these exceptional transformational energies. Each of us will take time to stand in the two tubes on either side of the doorway to **balance our male and female energies**, and then

we'll enter the portal itself, where you'll experienced another state of consciousness, that of **Unconditional Love**. I can assure you it will be a deep connection that will stay with you for days, weeks, months, and years to come!

While we're at the Lake we'll have the very special opportunity to participate in the **Magic Dream Pillow art project** with the local children. We'll give each of them a pillow case, fabric markers and paints and ask them to draw their dream for what they want to be when they grow up on it, so that each night before they go to sleep, they can remember this. You'll have a fabulous time supporting your little Andean sisters and brothers, planting the little seed that will help them to manifest their dreams in their lives. Afterwards we will give them the art supplies, as well as any toys and quality used clothing you'd like to bring. (Translators will be available to help you in your communication in you need it. But remember...we all smile and hug in the same language!

A Few Words from Andrea: I'm off to Egypt on March 11th; going early, before our group arrives. The Awyans and I will be working on the finishing touches for the upcoming conference in Giza 2012: Spiraling into The Next Cycle, beginning on March 17th. As well as for our Sacred Initiatory Journey to the sacred temples in Aswan, Kom Ombo, Edfu, Luxor, Dendera and Abydos.

If you're on Facebook, look for some posts (with photos!) from me while I'm

at the conference and on the sacred pilgrimage. If you're not on Facebook not to worry. I'll be sharing a full account in next month's email - including our private entrance into the King's Chamber of the Great Pyramid on the Spring Equinox. Again, I invite you all to hold the positive vision with us at that time for world peace and the evolvment of consciousness. I've found over the last ten years that I've been leading our groups to Egypt, that when we hold our meditations in this ancient and powerful pyramid, thoughts manifest ...and very quickly!

Happy Spring Blessings to you All! And see you next month!
Andrea
