The **Awyan Family** in Giza, Egypt,
in collaboration with **Andrea Mikana-Pinkham** of Sacred Sites Journeys,
is excited to announce the launching of a **new Mystery School:**

The Khemit School of Ancient Mysticism

www.EgyptInitiations.com

This unique venue has been created for self & global transformation.
The **Divine Guidance** to form the School came synchronistically to both
Shahrzad Awyan and Andrea Mikana-Pinkham
during their individual meditations on April 8, 2008.

Shahrzad was at her home in Giza, which overlooks the Sphinx and the pyramids of the Giza Plateau,

and Andrea was at Karnak Temple in the Festival Hall of Tuthmosis III, with her Sacred Sites Journeys group.

(Interesting to note that this is the place where many Rosacrucians believe that this Pharaoh formed The Great White Brotherhood!)

Though Andrea and Shahrzad received their inspirations on this day, Shahrzad remembers her Father, **Abd'el Hakim Awyan**, renowned archaeologist, Egyptologist, and indigenous "Wisdom Keeper", describing the potential for this school before he passed from this world last August 2008.

Combining the **wisdom of the spiritually & technologically advanced society** of ancient Khemit (Egypt) with the **healing and powerful energies** of the sacred land of Egypt, and our **collective knowledge, talents and acquired wisdom**, we offer a beautiful and heart-centered space for all who come together to experience **profound life-altering shifts to higher levels of consciousness**.

The **Awyan Family** lineage holds an **oral tradition** of carrying the secrets and wisdom of the **true history of ancient Egypt or Khemit** for centuries, and is honored and proud to be sharing this wisdom, as their Father did, as we enter the cycle of the "**New Dawn**".
