Sacred Sites Journeys 2009

**COSTA RICA, EGYPT,
ENGLAND, GREECE
IRELAND, PERU, & SEDONA**

WHAT IS A PILGRIMAGE? A journey to a sacred place to usher one into the presence of the Divine, a spiritual pilgrimage is an important part of life for many people who are on a spiritual path. By taking time to separate yourself from the everyday concerns of your world and spend time traveling to places full of power and special meaning, pilgrimage becomes an act of transformation that can change your life in many positive ways!

Andrea Mikana-Pinkham has been operating and leading Sacred Journeys to the world's most important sacred sites since 1994.

I founded a sacred travel company in 1993 and operated it until 2000, when my company was acquired by another travel company. I worked with them for 8 years as the Director of Sacred Journeys & Tour Hostess/Featured Speaker on tours to the world's most important sacred sites. I now operate my own company, Sacred Sites Journeys. I invite you to travel with me!

Andrea Mikana Pinkham: Director of Sacred Sites Journeys, North American Grand Prioress of The International Order of Gnostic Templars; Andean Shamanic Practitioner; Member—Fellowship of Isis; Sister of Avalon; Intuitive Channel; Spiritual Counselor; Reiki Grand Master of Ichi Sekai (One World) Reiki

I offer meditation and sacred ceremony to connect with the powerfully transformative energies at the world's most important sacred sites!

Words of praise for Sacred Journeys with Andrea Mikana-Pinkham:

>> "I had a totally awesome time on the Sacred Journey to **EGYPT** with Andrea Pinkham. As our Ceremonialist, she led us through many powerful ceremonies. As our Tour Director she was very well informed about the different sacred sites we visited. And she was supportive of each person's needs, taking time each day to make sure that all was well with each of us." **P. Lehman - NM**

>> "We very much enjoyed our Sacred Journey to **ENGLAND** with Andrea Pinkham. We appreciated the information that was shared with the group, as well as the meditations and sacred ceremonies. Thank you for the great job you did in putting this journey of a lifetime together! We were amazed at how smoothly things went. You did a fantastic job! These aspects of the trip really made it for us!" **L. and S. Barkstelle - Van Nuys, CA**

>> "The Sacred Journey to **IRELAND** was the best one I've been on yet! Ireland's sacred sites are a very transformative healing balm. Our guide was amazing, with a spirit I've not experienced with any other guide. Because our group was small, we were able to meet and mingle more with the Irish people. I came home entranced by the beauty of the people, the spirituality, and nature of the Emerald Isle." **J. Gamble - Plymouth, MN**

>> "On our Sacred Journey to **PERU** Pepe and Andrea were a phenomenal team! Pepe was so full of wisdom and charisma. Andrea was very organized, thoughtful, and inspiring. They took excellent care of each group member, as well as the group in general. And they were most helpful at explaining the historical and sacred significance, and helping us to connect with the powerful energies of each of the sacred places we visited." **D. Parker - AZ**

>> "The Sacred Journey to **GREECE** was a magical trip! The countryside was picturesque and charming. Our local guides were very informative and interesting. The place I connected with the most was the Asclepius Sanctuary at Epidaurus. All of the museums were excellent. And best of all, we had a wonderful group!" **D. Balch - CA**
